

## Supporting Community Organisations to be at their best

*Do you need to rethink your approach to the changing community services sector?*

*Has your organisation become 'stuck'?*

## Do you know an organisation that needs some support to shift culture?

Tuned In Consulting offers service 'health checks' that can include a review of staffing, structure, organisational culture, politics and branding. Our aim is to support you in maximising your organisations potential and ensuring that families and clients receive the best services possible. Specializing in working with health and welfare agencies, Tuned In Consulting has a proven track record in offering:

- Service Reviews and Evaluations (Health, Family Support, Domestic Violence, Children's and Disability Services)
- Assisting Managers to shift culture and implement organisational change
- Providing management coaching and clinical supervision
- Strategic Planning and vision
- We have been supporting NDIS pilot programs to ensure the shift from a welfare approach to being 'business ready'.
